ZOOBILATION.

Zoobilation is an annual fundraiser, single-night event held under the stars at the Montgomery Zoo. It is a fun-filled evening that has been around for over two decades and growing yearly. The night encompasseses soul soothing entertainment, delightful culinary samplings from area restaurants, a vast array of refreshing libations, a competitive and titillating auction, energic dancing, and always a few surprises to make the evening grand and festive! Some even describe the event as THE WILDEST PARTY IN TOWN!

The event raises funds through ticket sales, corporate and private partnerships, foundation donations, and auctioned items. We also receive strong community support from various companies and individuals contributing goods, services, supplies, equipment, and time -- always ensuring to make the event a huge success.

All proceeds raised during Zoobilation26 will be contributed to the design and construction of the Zoo's new Reptile Exhibit and Facility. Past Zoobilations have expanded and grown the Zoo by bringing our African Bush Elephant exhibit, Waters of the World Aquatic Learning Center, Sky Lift Adventure Ride, Overlook Cafe complex, and many more.

Join the fun by becoming a Zoobilation partner today. Unite with many other organizations, businesses, and individuals in helping the Montgomery Zoo grow and expand impacting and shaping many generations to come and giving you an opportunity to leave a lasting legacy for our community to continue to thrive and flourish.

NEW DIRECTION.

Above is a rendering of what we hope the future of our new Reptile Exhibit and Facility will hold and provide to our friends and guests. We are excited to provide a new space for Merlin, our Komodo Dragon, bring American Alligators back to the zoo, along with an exciting collection of global and native reptile and amphibian species!

It is also our goal is to create new learning and classroom space, behind the scenes and breeding areas, and much needed additional restrooms for Zoo guests.

Our vision is grand and adventurous, and we believe it has the potential to create a lasting positive impact on our community. This ambitious goal, however, cannot be achieved without the generous help and support of individuals like you.

We are passionate about building a better Montgomery Zoo and enhancing the quality of life in the River Region community. Your involvement and sense of community-building are vital to making this vision a reality. We truly believe that with your support, we can create something extraordinary that will benefit everyone in our community.

Thank you for considering this opportunity to be a part of something special. We look forward to working together to achieve our shared vision.

TICKET PARTNER

Partnering with the Montgomery Zoo assists in providing a fun-filled, educational attraction venue and enriching experiences to children and adults alike. From its origin, the Montgomery Zoo and Mann Museum have always set the highest standard in creating a unique and affordable wildlife experience for all to share and enjoy.

Specifically, your donation will assist in the design and construction of our new Reptile Exhibit and Facility housing both global and native species. This state-of-the-art complex will be the Zoo's newest shining star. Partners and donors like yourself will be highlighted and displayed for generations to see and acknowledge your community participation and philanthropy.
